Regulations for hunters of migratory game birds

Equipment

- No person shall hunt using a shotgun of any kind capable of holding more than three shells in the magazine and chamber combined ; a rifle or shotgun loaded with a single bullet ; or any weapon other than a long bow and arrow or a shotgun not larger than number 10 gauge.
- No person shall have with him, for his own use, more than one shotgun, unless each shotgun in excess of one is disassembled or unloaded and cased.
- No person shall shoot from any aircraft, sailboat, power boat, or motorized vehicle, or any vehicle to which a draught animal is attached.
- No person shall use a boat, aircraft, or motor vehicle to disturb birds with the object of driving them towards a hunter.
- No person shall use live birds as decoys, or recorded bird calls.

Time

- No person shall hunt at any time throughout the year except during the open season as described in the schedule.
- No person shall hunt during any day after he has taken his bag limit.
- No person shall hunt earlier than one-half hour before sunrise or later than one-half hour after sunset.

Place

- No person shall hunt within one-quarter mile of any area baited with grain or other food.

Retrieval

- It is permitted to retrieve a dead or injured migratory game bird by the use of a power boat.
- No person shall kill, cripple or wound a migratory game bird without making all reasonable efforts to retrieve it and include it in his daily bag limit. The retrieved bird shall be killed immediately and included in the hunter's daily bag limit.

Possession and transport

- No person shall possess or transport a migratory game bird unless at least one wing and the plumage thereof remains attached to the bird. Such a wing and plumage may be removed
 - a. when the bird is prepared for immediate cooking, or,
 - b. after the bird is taken to the residence of the owner for preservation.

Eggs and nests

- No person shall take, injure, or destroy the eggs or nests of migratory birds at any time.

Uses

- No person shall buy or sell migratory birds or their eggs or nests.
- No person shall waste or wantonly dispose of a migratory game bird killed or retrieved by him or in his possession.

Indians and Eskimos

- Indians and Eskimos are excepted from the above provisions to the extent only that they may at any time, outside any bird sanctuary, take auks, auklets, guillemots, murres, puffins, and scoters for human food or clothing and their eggs for human food. Birds and eggs so taken shall not be sold.

Territorial regulations

- Hunters of migratory game birds are advised to check territorial regulations for additional restrictions.
